If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the Contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender or national origin and shall be subject to the same rules as other organizations that Contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E).

In every Contract over \$10,000 the provisions in a. and b. below apply:

- a. During the performance of this Contract, the Contractor agrees as follows:

- 1) The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
- 2) The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
- 3) Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for meeting these requirements.

b. The Contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

7. ETHICS IN PUBLIC CONTRACTING

By submitting their offers, offerors certify that their offers are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their offer, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

8. IMMIGRATION REFORM AND CONTROL ACT OF 1986

By submitting their offers, offerors certify that they do not and will not during the performance of this Contract employ illegal alien workers or otherwise violate the provisions of the federal Immigration Reform and Control Act of 1986.

9. DEBARMENT STATUS

By submitting their offers, offerors certify that they are not currently debarred by the Commonwealth of Virginia from submitting offers on Contracts for the type of goods and/or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

10. ANTITRUST

By entering into a Contract, the Contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Contractor specifically for sale to the Commonwealth under the Contract.

11. MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFBs AND RFPs

Failure to submit an offer on the official state form provided for that purpose shall be a cause for rejection of the offer. Modification of or additions to any portion of the Request for Proposal may be cause for rejection of the offer; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a offer as non-responsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the offeror withdraw or modify non-responsive portions of a offer which do not affect quality, quantity, price, or delivery. No modification of or addition to the provisions of the Contract shall be effective unless reduced to writing and signed by the parties.

12. PAYMENT

a. To Prime Contractor:

- 1) Invoices for items ordered and delivered shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the state Contract number and/or purchase order number; social security number (for individual Contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- 2) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- 3) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.
- 4) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of

offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

5) **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, Contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges that appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges that are not in dispute (Code of Virginia, § 2.2-4363).

b. To Subcontractors:

1) A Contractor awarded a Contract under this solicitation is hereby obligated:

(a) To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or

(b) To notify the agency and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

2) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

13. QUALIFICATIONS OF OFFERORS

The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth shall not pay any charges, either beforehand or retroactively, associated with the Contractor's requirement to achieve this performance level. If any Equipment does not meet the standard of performance during the initial forty-eight (48) consecutive business hours, then, at the Commonwealth's sole discretion, the acceptance period shall continue on a day-to-day basis until all Equipment concurrently meet the standard of performance for forty-eight (48) consecutive business hours.

Acceptance testing should begin promptly, however, should it be necessary, the Commonwealth may delay the start of the acceptance period, but such a delay shall not exceed thirty (30) consecutive days from the date of receipt of Equipment.

16. ACCEPTANCE

The Equipment shall be deemed accepted on the first day after successful completion of the acceptance period. Upon request, the Commonwealth shall provide written confirmation of acceptance. If the standard of performance has not been met after thirty (30) calendar days have elapsed from the start of the acceptance period, the Commonwealth may require a replacement to be provided or may avail itself of the remedies for breach.

17. ASSIGNMENT OF CONTRACT

To the fullest extent permitted by law, the parties agree that Contractor's rights under this Agreement shall not be assignable, in whole or in part, to any other party without the Commonwealth's written consent, and that any purported assignment or transfer without such consent shall be null and void. If any law limits the right of the parties to prohibit assignment or nonconsensual assignments, the effective date of the assignment shall be as follows. The Contractor shall give the purchasing office prompt written notice of the assignment, signed by authorized representatives of both the Contractor and the assignee. This written notice shall be on the Virginia Information Technologies Agency's (VITA's) "Assignment Notice / Payment Instruction" form and shall provide all information requested on that form. If the problem is determined to be software or firmware, the specialist will offer patches or revisions if they are made available from the original manufacturer. If the solution is not immediately available, the specialist will offer the end-user direction in order to receive a solution; sometimes including a warm transfer to the Original Manufacturer.

74. COMMONWEALTH'S RESPONSIBILITIES DURING WARRANTY

- b) "Exhibits" means attachments that describe or otherwise apply to the sale or license of Products or Support.

- e) "Software" means one or more programs capable of operating on a controller, processor or other hardware Product ("Device") and related documentation. Software is either a separate Product, included with another Product ("Bundled Software"), or fixed in a Device and not removable in normal operation ("Firmware").

- i) "Use" means storing, loading, installing, executing or displaying Software on a Device.

PRICES

- a) Prices are valid for the period quoted by HP or for the applicable purchase agreement ordering period, whichever expires first. Product prices for an order remain valid for ninety(90) days from the original order date unless otherwise quoted by HP. Change orders that extend Delivery beyond those validity periods become new orders at prices in effect when HP receives the change orders. Support prices, except for Custom and prepaid Support, may be changed by HP upon sixty(60) days written notice.
- b) Prices are exclusive of, and Customer will pay, applicable sales, use, consumption, goods and service, value added or like taxes, unless Customer has provided HP with an appropriate exemption certificate for the Delivery jurisdiction.

- a) All orders are subject to acceptance by HP. Product orders must specify Delivery within ninety(90) days from order date, unless otherwise agreed or quoted by HP.

Attachment "D"
Contract VA-030801-HP

b) Customer will specify Ship To addresses within the country where the order is placed, unless otherwise agreed. Customer may cancel orders for Products (except Custom Products) prior to shipment at no charge.

DELIVERY

HP will make reasonable efforts to meet Customer's Delivery requirements. If HP is unable to meet Customer's Delivery requirements, alternative arrangements may be agreed. In the absence of such agreement, Customer's sole remedy is to cancel the order.

SHIPMENT, RISK OF LOSS OR DAMAGE, AND TITLE

HP will ship according to HP's standard commercial practice, and risk of loss or damage and title will pass from HP to Customer at the Ship To address. Shipping and handling charges will be listed separately on HP's invoice when not included in the Product's purchase price. If Customer requested special packing or shipping instructions are agreed to by HP, charges will be billed separately to Customer, and risk of loss or damage and title will pass to Customer on delivery to Customer's carrier or designate.

INSTALLATION AND ACCEPTANCE

a) Product installation information is available with Products, on quotations or upon request. Installation by HP, when included in the purchase price, is complete when the Product passes HP's standard installation and test procedures.

b) For Products without installation included in the purchase price, acceptance by Customer occurs upon Delivery. For Products with installation included in the purchase price, acceptance by Customer occurs upon completion of installation by HP. If Customer schedules or delays installation by HP more than thirty(30) days after Delivery, Customer acceptance of the Product(s) will occur on the 31st day after Delivery.

PAYMENT

a) Payment terms are subject to HP credit approval. Payment is due thirty(30) days from HP's invoice date. Invoices for contractual support services and maintenance will be issued in advance of the Support period. HP may change credit or payment terms at any time when, in HP's opinion, Customer's financial condition, previous payment record, or the nature of Customer's relationship with HP so warrants.

b) HP may discontinue performance if Customer fails to pay any sum due, or fails to perform under this or any other HP agreement if, after ten(10) days written notice, the failure has not been cured.

WARRANTY

a) Product warranty period and additional information is available with Products, on quotations, or upon request.

b) Products purchased from HP will receive the standard warranty in the country of purchase. If Customer moves such Products to another country where HP has Support presence, then Customer will receive the destination country standard warranty.

c) Customer may receive a different warranty when the Product is purchased as part of a system. HP reserves the right to change the warranty. Such changes will affect only new orders.

d) The warranty period begins on the date of Delivery, or the date of installation if installed by HP. If Customer schedules or delays installation by HP more than thirty(30) days after Delivery, the warranty period begins on the 31st day after Delivery.

e) If Customer transfers a Product to another user, warranty service is available to that user for the remainder of the warranty period.

e) HP will provide Support for products that are not HP Branded when approved by HP in writing. HP will provide Support for HP Products when Customer allows HP to perform modifications if requested by HP under Section 9. c) above. Customer is responsible for removing any products not eligible for Support to allow HP to perform Support services. If Support services are made more difficult because of such product(s), HP will charge Customer for the extra work at HP's standard rates.

f) Support does not cover any damage or failure caused by:

- 1) use of non-HP media, supplies and other products; or
- 2) site conditions that do not conform to HP's site specifications; or
- 3) neglect, improper use, fire or water damage, electrical disturbances, transportation by Customer, work or modification by people other than HP employees or subcontractors, or other causes beyond HP's control; or

4) inability of any non-HP products in Customer's environment to correctly process, provide or receive date data (i.e., representations for month, day, and year), and to properly exchange date data with the Products supplied by HP.

h) Customer may delete Products under Support or cancel Support orders upon thirty(30) days written notice unless otherwise agreed in a Support agreement. HP may cancel Support orders or delete Products no longer included in HP's Support offering upon sixty(60) days written notice unless otherwise agreed in a Support agreement.

If Customer is not an HP authorized reseller, Customer may not sublicense the Software unless otherwise agreed to by HP in writing.
- e) Software is owned and copyrighted by HP or by third party suppliers. Customer's Software License confers no title or ownership and is not a sale of any rights in the Software. Third party suppliers may protect their rights in the Software in the event of any infringement.
- f) Unless otherwise permitted by HP, Customer may only make copies or adaptations of the Software for archival purposes or when copying or adaptation is an essential step in the authorized Use of the Software on a backup Device, provided that copies and adaptations are used in no other manner and provided further that the Use on the backup Device is discontinued when the original or replacement Device becomes operable.
- g) Customer must reproduce all copyright notices in or on the original Software on all permitted copies or adaptations. Customer may not copy the Software onto any public or distributed network.

The transferee must agree in writing to the terms of Customer's Software License. All Software License terms will be binding on involuntary transferees, notice of which is hereby given. Customer's Software License will automatically terminate upon transfer.
- l) HP may terminate Customer's or any transferee's or sublicensee's Software License upon notice for failure to comply with any applicable Software License terms. Immediately upon termination, the Software and all copies of the Software will be destroyed or returned to HP. Copies of the Software that are merged into adaptations, except for individual pieces of data in Customer's or transferee's or sublicensee's database, will be removed and destroyed or returned to HP. With HP's written consent, one copy of the Software may be retained subsequent to termination for archival purposes.

Customer further agrees that the Software has been developed entirely at private expense.

INTELLECTUAL PROPERTY RIGHTS

a) HP will defend or settle any claim against Customer, (or third parties to whom Customer is authorized by HP to resell or sublicense), that HP Branded Products or Support (excluding Custom Products and Custom Support), delivered under these HP Terms and Conditions of Sale and Service infringe a patent, utility model, industrial design, copyright, trade secret, mask work or trademark in the country where Products are used, sold or receive Support, provided Customer:
